GENERAL INFORMATION

GENERAL/MEDICAL REFUNDS

Refunds are only available if a class is cancelled or if there is a medical reason. A refund will be issued if a participant is unable to attend a class due to an unexpected prolonged illness or injury. This request must be made prior to the end of the program session and may require a doctor's note. Medical refunds may be prorated for classes missed. Classes missed due to common illness or schedule conflicts cannot be refunded. Refund checks are issued by the Town of Medway and may take up to four weeks to process.

LOW ENROLLMENT

Classes that do not meet the minimum enrollment are not the best use of our limited resources, and usually are not very fun for the kids. Classes with low enrollment will be notified that the class is in danger of being cancelled one week prior to the class starting. The actual class will be cancelled within 48 hours prior to the scheduled start date and a full refund will be issued. The Recreation Department reserves the right to reschedule, postpone, combine or change classes. You will be notified via email or phone call if your class is cancelled; otherwise plan on attending.

TRIAL CLASSES

In most cases, trial classes are not permitted. It is recommended to visit and observe the current session if you are unsure if your child may be ready for the next session.

DROP-OFF PROGRAMS

Parents/Guardians of children under 12 years of age participating in our programs are required to accompany their children to and from the location of the program (i.e. classrooms, gymnasium, etc.) and must remain on the premises should they be needed. Should a parent or guardian leave the area of the program, they MUST inform the instructor where they can be found, including contact information. This procedure has been established for the protection and safety of all children within Recreation programs.

MAKE-UP CLASSES

All attempts will be made to reschedule classes that have been cancelled due to inclement weather, instructor absence, or other unforeseen circumstances. Typically a program that meets weekly will extend another week at the same day and time. Check with your instructor to confirm. Classes missed due to participant absence because of scheduling conflicts or personal reasons cannot be made up.

PHOTO / VIDEO POLICY

The Recreation Department may make, have, use, publish and reproduce photographs and/or video of participants for its record, public relations purposes, recognition, and/or other projects related to the wholesome promotion of its program unless permission is denied in writing.

FINANCIAL AID

Some programs are able to offer financial assistance or scholarships to qualifying applicants. In many cases, the most recent tax forms, and other supporting documentation is required. Contact us for more information.

AGE POLICY

Children must meet the age requirement for a program by the FIRST DAY of a class. Children must be toilet trained to attend programs unaccompanied by an adult.

RESIDENTS / NON RESIDENTS

Our programs are supported solely by user fees and residents have priority registration periods. Registration is first-come, first served; Medway residents have priority through advance enrollment periods. Unless otherwise noted, programs are available for non-residents.

CALENDAR

Calendars found in the back of the brochure list the start date of all programs as well as holiday hours, closings, community events, and other important event date information.

INCLEMENT WEATHER POLICY

All classes (day and evening) will be cancelled when Medway Public Schools are closed. If Medway Public Schools have a delayed opening, all Recreation department programs will still start at their regularly scheduled time, unless you are informed otherwise. In the event we need to cancel evening or weekend classes, it will be listed on our website and Facebook page. We will also attempt to email participants who have registered for these classes.

INCLUSION

We welcome kids and adults of all ages and abilities to participate in any of our Recreation programs. To help visually identify programs that are specifically designed for participants with disabilities, please look for this inclusion logo throughout the brochure. For questions, adaptations, and accommodations please email Jharrington@townofmedway.org. If necessary, parents or aides are welcome to attend with participants.

FIELD/FACILITY RENTAL POLICY

Our fields and facilities are available to be rented to the public, with a certificate of liability insurance. Please check our website for more information or contact Jharrington@townofmedway.org.

FAMILY PROGRAMS

SILK SCARF MARBLING

Instructed by The Hot Pigeon

An incredibly inclusive and interactive experience for all ages! Join Anne Brady and Jenne Nitishin of The Hot Pigeon located here in Medway to create a one of a kind silk scarf through the magic of "floating ink" on water. The magic of marbling can be mesmerizing! Every scarf is one of a kind because it's hand made by you.

TAKE A HIKE!

Instructed by Medway Park and Recreation

As we approach winter, trail fever starts to set in, waistlines expand, and workout routines and resolutions are soon forgotten. Hibernation is the only reasonable option, right? Wrong! Exercising in winter is twice as efficient at burning calories than in the summer, increases cardiovascular endurance, and even improves mood and energy while boosting immunity. Grab your boots, family, friends, and meet us at a trail. Registration is required. There will be an email sent out prior to the date on which trail to meet.

SNOWSHOE THE TRAILS

Instructed by Medway Parks and Recreation

Get out and enjoy the winter! There are so many reasons to snowshoe! It's easy to learn, fun for any age and ability, and virtually inexpensive (compared to other sports). Additionally, snowshoeing has physical and mental health benefits and is a great way to exert energy during the cold winter months and explore your surroundings. Snowshoes are so versatile and can be fun exploring snowy in-town attractions and parks, or far-away trails and adventures! Participants must provide their own snowshoes. Registration is required. There will be an email sent out prior to the date indicating what trail to meet.

LEGO CIVICS

Instructed by Right Brain Curriculum

As our students build a fully-planned and intricately-designed Lego city, they also learn to govern it. Students learn about elections, laws, city planning, economics, and the environment as they serve on a city council which must make key governing decisions about their city. They work on committees to design their official city flag, design their city's currency, and create a constitution of laws. Students have the opportunity to run for mayor, open their own business, debate city issues, and design city buildings. Social studies, history, and civics have never been so fun! Be sure to pack a lunch for this full day of fun.

METROCRAFT

Instructed by Right Brain Curriculum

Students learn economics, civics, geometry, history, and technology as they work together to create a city within a virtual Minecraft world. Minecraft is a limitless platform for students to learn academic skills in a highly engaging virtual environment. In this problem-solving class, students design their own house and business as they learn about budgeting, profit and loss, and supply and demand. As they serve on a city council, they study how laws are made and work together to create and vote on a city constitution of laws. Students use mathematics and geometry to construct a working urban environment. STEM skills have never been so fun! Be sure to pack a lunch for this full day of fun.

WINTER YOUTH PROGRAMS

BUSINESS SHARKS

Instructed by Right Brain Curriculum

In our Business Sharks class, students play the role of young entrepreneurs as they start with the germ of an idea for a product and business and take it through the entire entrepreneurial process. Our students develop prototypes, formulate a business plan, and devise a marketing strategy. Meanwhile, students learn through contextual lessons on concepts such as wages, profits and branding while designing print ads, acting out "TV commercials," researching real estate locations, and designing their storefronts. The class concludes with our young executives pitching their ideas to a "Shark Tank" of parents. These sharks will really be taking care of business!
