GENERAL INFORMATION

GENERAL/MEDICAL REFUNDS

Refunds are only available if a class is cancelled or if there is a medical reason. A refund will be issued if a participant is unable to attend a class due to an unexpected prolonged illness or injury. This request must be made prior to the end of the program session and may require a doctor's note. Medical refunds may be prorated for classes missed. Classes missed due to common illness or schedule conflicts cannot be refunded. Refund checks are issued by the Town of Medway and may take up to four weeks to process.

LOW ENROLLMENT

Classes that do not meet the minimum enrollment are not the best use of our limited resources, and usually are not very fun for the kids. Classes with low enrollment will be notified that the class is in danger of being cancelled one week prior to the class starting. The actual class will be cancelled within 48 hours prior to the scheduled start date and a full refund will be issued. The Recreation Department reserves the right to reschedule, postpone, combine or change classes. You will be notified via email or phone call if your class is cancelled; otherwise plan on attending.

TRIAL CLASSES

In most cases, trial classes are not permitted. It is recommended to visit and observe the current session if you are unsure if your child may be ready for the next session.

DROP-OFF PROGRAMS

Parents/Guardians of children under 12 years of age participating in our programs are required to accompany their children to and from the location of the program (i.e. classrooms, gymnasium, etc.) and must remain on the premises should they be needed. Should a parent or guardian leave the area of the program, they MUST inform the instructor where they can be found, including contact information. This procedure has been established for the protection and safety of all children within Recreation programs.

MAKE-UP CLASSES

All attempts will be made to reschedule classes that have been cancelled due to inclement weather, instructor absence, or other unforeseen circumstances. Typically a program that meets weekly will extend another week at the same day and time. Check with your instructor to confirm. Classes missed due to participant absence because of scheduling conflicts or personal reasons cannot be made up.

PHOTO / VIDEO POLICY

The Recreation Department may make, have, use, publish and reproduce photographs and/or video of participants for its record, public relations purposes, recognition, and/or other projects related to the wholesome promotion of its program unless permission is denied in writing.

FINANCIAL AID

Some programs are able to offer financial assistance or scholarships to qualifying applicants. In many cases, the most recent tax forms, and other supporting documentation is required. Contact us for more information.

AGE POLICY

Children must meet the age requirement for a program by the FIRST DAY of a class. Children must be toilet trained to attend programs unaccompanied by an adult.

RESIDENTS / NON-RESIDENTS

Our programs are supported solely by user fees and residents have priority registration periods. Registration is first-come, first served; Medway residents have priority through advance enrollment periods. Unless otherwise noted, programs are available for non-residents.

CALENDAR

Calendars found in the back of the brochure list the start date of all programs as well as holiday hours, closings, community events, and other important event date information.

INCLEMENT WEATHER POLICY

All classes (day and evening) will be cancelled when Medway Public Schools are closed. If Medway Public Schools have a delayed opening, all Recreation department programs will still start at their regularly scheduled time, unless you are informed otherwise. In the event we need to cancel evening or weekend classes, it will be listed on our website and Facebook page. We will also attempt to email participants who have registered for these classes.

INCLUSION

We welcome kids and adults of all ages and abilities to participate in any of our Recreation programs. To help visually identify programs that are specifically designed for participants with disabilities, please look for this inclusion logo throughout the brochure. For questions, adaptations, and accommodations please email Jharrington@townofmedway.org. If necessary, parents or aides are welcome to attend with participants.

BOATING FOR TEENS

Instructed by Boating in Boston

Teens love boating, too! Geared toward ages 13-15, Boating for Teens Camp is a great time on the water. Teen Camp is offered at three-week increments, giving campers plenty of opportunities to demonstrate leadership skills and to learn more advanced boating techniques. Problem-solving and critical thinking are abilities that teens will naturally pick up in this fun, authentic learning environment. Activities: Teen activities are based off skills assessed by nationally recognized organizations such as the American Red Cross, US Sailing, US Powerboating, and the American Canoe Association (ACA). In addition to paddling and sailing lessons, teen campers will have an opportunity to earn their Red Cross First Aid and CPR certificates. They'll learn basic water rescues, like those used by lifeguards and safe boating instructors. Furthermore, they will engage in team building activities and learn to work with camper, counselors, and other teens in a cooperative environment. Benefits: Boating For Teens Camp is a great program for teens who are interested in working with children, the outdoor recreation industry, and customer service, and much more! Teen Camp also increases the chances that teens may be hired to work at Boating in Boston in the future. We love to see the young people who grew up in our camp return year after year. **Boating in Boston is held at Hopkinton State Park which is located at 286 Cedar St, Hopkinton, MA 01748.**
