GENERAL INFORMATION

GENERAL/MEDICAL REFUNDS

Refunds are only available if a class is cancelled or if there is a medical reason. A refund will be issued if a participant is unable to attend a class due to an unexpected prolonged illness or injury. This request must be made prior to the end of the program session and may require a doctor's note. Medical refunds may be prorated for classes missed. Classes missed due to common illness or schedule conflicts cannot be refunded. Refund checks are issued by the Town of Medway and may take up to four weeks to process.

LOW ENROLLMENT

Classes that do not meet the minimum enrollment are not the best use of our limited resources, and usually are not very fun for the kids. Classes with low enrollment will be notified that the class is in danger of being cancelled one week prior to the class starting. The actual class will be cancelled within 48 hours prior to the scheduled start date and a full refund will be issued. The Parks & Recreation Department reserves the right to reschedule, postpone, combine, or change classes. You will be notified via email or phone call if your class is cancelled; otherwise plan on attending.

TRIAL CLASSES

In most cases, trial classes are not permitted. It is recommended to visit and observe the current session if you are unsure if your child may be ready for the next session.

DROP-OFF PROGRAMS

Parents/Guardians of children under 12 years of age participating in our programs are required to accompany their children to and from the location of the program (i.e. class rooms, gymnasium, etc.) Should a parent or guardian leave the area of the program, they MUST inform the instructor where they can be found, including contact information. This procedure has been established for the protection and safety of all children within Parks & Recreation programs.

MAKE-UP CLASSES

All attempts will be made to reschedule classes that have been cancelled due to inclement weather, instructor absence, or other unforeseen circumstances. Typically a program that meets weekly will extend another week at the same day and time. Check with your instructor to confirm. Classes missed due to participant absence because of scheduling conflicts or personal reasons cannot be made up.

PHOTO / VIDEO POLICY

The Parks & Recreation Department may make, have, use, publish, and reproduce photographs and/or video of participants for its record, public relations purposes, recognition, and/or other projects related to the wholesome promotion of its program unless permission is denied in writing.

FINANCIAL AID

Some programs are able to offer financial assistance or scholarships to qualifying applicants. In many cases the most recent tax forms, and other supporting documentation is required. Contact us for more information.

AGE POLICY

Children must meet the age requirement for a program by the FIRST DAY of a class. Children must be toilet trained to attend programs unaccompanied by an adult.

RESIDENTS / NON RESIDENTS

Our programs are supported solely by user fees and residents have priority registration periods. Registration is first-come, first served; Medway residents have priority through advance enrollment periods. Unless otherwise noted, programs are available for non-residents.

CALENDAR

Calendars found in the back of the brochure list the start date of all programs as well as holiday hours, closings, community events, and other important event date information.

INCLEMENT WEATHER POLICY

All classes (day and evening) will be cancelled when Medway Public Schools are closed. If Medway Public Schools have a delayed opening, all Parks & Recreation department programs will still start at their regularly scheduled time, unless you are informed otherwise. In the event we need to cancel evening or weekend classes, it will be listed on our website and Facebook page. We will also attempt to email participants who have registered for these classes.

FIELD/FACILITY RENTAL POLICY

Our fields and facilities are available to be rented to the public, with a certificate of liability insurance. Please check our website for more information or contact Jharrington@Medwayma.gov.

JR. PARK PALS

Instructed by Medway Parks and Recreation

Do you have a 2 to 3.5-year-old who is eager to explore, learn, and make new friends? Our preschool curriculum-based drop-off class is the perfect opportunity for little ones to gain independence and socialize with peers in a fun and nurturing environment. This 1.5-hour class is designed to ease the transition into preschool and longer drop-off programs. Children will engage in hands-on activities, creative play, and early learning experiences that foster curiosity and confidence. Join us for a wonderful first school experience filled with learning, laughter, and friendship! **Registration is open. Class will be held at the Parks and Recreation building, located at 123 Holliston Street.**

LEARN TO FISH

Instructed by Massachusetts Division of Fisheries & Wildlife

Have you ever wanted to learn how to fish? Now's your chance, let the MassWildlife Angler Education Program be your guide. We'll have equipment on hand for use, as well as terminal tackle, and live bait. You'll learn the basics, from casting out, to baiting up, and the best part - you'll actually be able to fish. So come try your hand at this great pastime, guaranteed to catch some fun! Pre-registration is required. Please note: This family friendly program is intended for beginners.

AGE	DAY	TIME	DATES	LOCATION	FEE
7+	TU	4:30 - 6:30pm	Sep. 30	Choate Park	\$5

LEGO BRICK BUILDERS

Instructed by Sports Zone 101

Come join us as we explore and create our wildest imaginations. We will also re-create some real-world buildings, landscapes, feats of engineering, and Wonders of the World! We also will have special themed kits to build that include Star Wars, Pokemon, Movie Makers, and other fun surprises! We supply all Lego blocks and building guides for classes, but there will also be some time for free building during our workshop if your child wants to bring in their own project. **Make it an afternoon with pizza and two workshops (register online). The program will be held at the Parks and Recreation Building.**

GR.	DAY	TIME	DATES	LOCATION	FEE
K-5	SU	12:00 - 1:00pm	Nov. 16	P&R Building	\$30

MARBLE FUN RUN

Instructed by Sports Zone 101

A Marble Machine is a creative ball-run contraption, made from familiar materials, designed to send a rolling marble through tubes and funnels, across tracks and bumpers, and into a catch at the end! Sure, We will supply all Marble Run sets for classes, but there will also be some time for free building during our classes if your child wants to bring in their own Marble Run set. We will also have some creative building challenges using household items, so your child may ask for extra materials like toilet paper rolls, pool noodles, or cardboard. We accept most material donations for class, but do not feel obligated to contribute! **Make it an afternoon with pizza and two workshops (register online). The program will be held at the Parks and Recreation Building.**

GR.	DAY	TIME	DATES	LOCATION	FEE

K-5	SU	12:00 - 1:00pm	Dec. 14	P&R Building	\$30

CHESS WIZARDS

Instructed by Chess Wizards

Chess Wizards is so popular with kids because of our unique structure. First, we let kids get the wiggles and giggles out with 10 minutes of free play and review of past taught topics. We then go right into the week's lessons. We separate students based on skill levels and teach different lessons best suited to their individual needs. Chess has been taught for thousands of years because of its emphasis on logic, tactics and sportsmanship. Let us coach your kids to a higher level of education! ***No class 11/29. Class will be held in the Parks and Recreation Building.**

GR.	DAY	TIME	DATES	LOCATION	FEE
1-5	SA	10:00 - 11:00am	Nov. 1 - Dec. 13	P&R Building	\$150

NERF BATTLEFIELDS

Instructed by Sports Zone 101

Come join the Sports Zone Lieutenants as we test our individual and team effectiveness in battle! This awesome program puts a fresh spin on traditional games like capture the flag, while also allowing children to get great exercise, learn some strategic planning skills, and make new friends. There will be no shortage of fun in this program, and we provide all the necessary supplies, so join the excitement today! **Make it an afternoon with pizza and two workshops (register online). The program will be held at the Parks and Recreation Building.**

XIN1 ROBOT FUN

Instructed by Minds in Motion

If you are new to robot building, this is for you! Come assemble up to five different vehicles, three different dinosaurs, and two windmills as you work on and take home your very own X in1 Robot kit! You will construct ten animated building options with child friendly parts that function indoors with the use of a Hand Generator, outdoors with the use of the XL Solar Panel, and indoors and outdoors with the Wind Powered LED. Developing manual dexterity and building confidence has never been this fun! You will also learn three separate renewable energy concepts: Hand Generator power, Solar power, and Wind power. With X in 1 Renewable Energy Kit, the fun never has to end. Come unleash your inner robot engineer! **Class will take place at Parks and Recreation Building located at 123 Holliston Street.**

AGE	DAY	TIME	DATES	LOCATION	FEE
6-10	M	6:30 - 7:30pm	Nov. 3 - Dec. 8	P&R Building	\$150

MECHANICAL CONTRACTIONS WORKSHOP

Instructed by RoboThink

In this workshop, students will be introduced to several different engineering concepts, such as kinetic and potential energy, gear ratios, transferring motion and more. Using gears, axles, motors and RoboThink's own proprietary hardware, students will get an opportunity to be introduced to STEM education in a way they won't ever forget! No experience necessary, just come ready and willing to learn! **Class will take place at the Parks and Recreation Building located at 123 Holliston Street.**

AGE	DAY	TIME	DATES	LOCATION	FEE
7-14	F	4:30 - 6:00pm	Nov. 14	P&R Building	\$45

ROBOPETZ WORKSHOP

Instructed by RoboThink

Get a taste of the wildlife with RoboThink! In this workshop, students will be using gears, axles motors and RoboThink's own proprietary hardware to build from a variety of different wildlife of all sizes, from a turtle to an elephant. Get all the animal experience with none of the animal smell- no animal or robotic experience necessary! **Class will take place at the Parks and Recreation Building located at 123 Holliston Street.**

AGE	DAY	TIME	DATES	LOCATION	FEE
7-14	F	4:30 - 6:00pm	Dec. 12	P&R Building	\$45

DEVELOP GAMES USING "PYTHON"

Instructed by Escout Academy

This course introduces foundational computing skills and provides a smooth transition from block coding to text-based programming. Participants will learn Python basics, including variables, loops, and functions. Using these skills, they will create visuals, artwork, simulations, and interactive games like Bounce!, Race, and more, using loops, conditionals, and functions. This comprehensive introduction sets the stage for more complex programming tasks and project-based learning, complemented by a lot of unplugged activities each week. **Class will take place online. No 10/13.**

GR.	DAY	TIME	DATES	LOCATION	FEE
5-8	M	5:30 - 6:30pm	Sep. 8 - Nov. 3	Online	\$165

INTERGALACTIC SPACE BATTLES WORKSHOP

Instructed by RoboThink

Blast off into a universe of creativity and engineering at our Galactic Robotics Workshop! Young engineers aged 6 to 12 are invited to join us for an exhilarating adventure where they will design, build, and pilot robots inspired by iconic spacecraft from beloved sci-fi movies. Utilizing axles, gears, motors, and mainboards, participants will learn the fundamentals of robotics and mechanical engineering in a fun, interactive environment. Once the build is complete, the young pilots will test their skills, navigating their robots through exciting challenges and missions designed to mimic epic galactic battles and explorations. Join us for this interstellar journey to inspire the next generation of inventors and adventurers! **Class will take place at Parks and Recreation Building located at 123 Holliston Street.**

AGE	DAY	TIME	DATES	LOCATION	FEE
7-14	W	12:30 - 2:00pm	Oct. 22	P&R Building	\$45

ANIMATION & DEVELOP GAMES - LEVEL 1&2

Instructed by Escout Academy

Dive into the world of digital creativity with our Animation and Game Development course, designed specifically for young learners in grades 2 and 3. In this interactive course, students are introduced to code puzzles, express and apply computing steps, Build and play with code blocks (Animation, music/sound blocks). Build fun games and animations using Events, Conditional and Repetition concepts. As students progress, they will delve into more advanced game design, constructing platform and multiplayer games, as well as memory-based games. ***No class 9/23 (Tuesday). Class will take place online.**

GR.	DAY	TIME	DATES	LOCATION	FEE
2-4	TU	5:30 - 6:30pm	Sep. 9 - Nov. 4	Online	\$145
2-4	W	5:30 - 6:30pm	Sep. 10 - Oct. 29	Online	\$145

ANIMATION & DEVELOP GAMES - LEVEL 3

Instructed by Escout Academy

Students build foundational coding skills and computational thinking through interactive, block-based game design. They'll start with basic programming, create maze games, and move on to arcade and sports games using loops, conditionals, and math. Lessons also include fun unplugged activities to reinforce key concepts. ***No class 10/13. Class will take place online.**

GR.	DAY	TIME	DATES	LOCATION	FEE
4-5	M	5:30 - 6:30pm	Sep. 8 - Nov. 3	Online	\$155

KINDERBOTS ROBOTICS

Instructed by Snapology

Children will begin to explore the world of robotics as they build simple models that teach the fundamentals of robotic design. Students will learn about sensors while building drills and magic wands and discover ways that gears and pulleys create movement while building helicopters and robotic dogs. When it all comes to life with picture-block coding, kids have so much fun they don't realize they're learning! **Class will take place at the Parks and Recreation Building located at 123 Holliston Street.**

GR.	DAY	TIME	DATES	LOCATION	FEE
