GENERAL INFORMATION

SUMMER GENERAL/MEDICAL REFUNDS *NEW*

When registering, please select only the weeks you are confident your child can attend. Refunds will be issued before June 1 if your child's spot can be filled from our waitlist, and a \$25 cancellation fee will be deducted for each week canceled. Refunds will not be issued after June 1. Full refunds are only available if a class/program is canceled or if a medical reason is provided. A full refund will be issued if a participant is unable to attend a class/program due to an unexpected, prolonged illness or injury; this request must be made before the end of the program and may require a doctor's note. Camps and summer programs missed due to common illness or schedule conflicts cannot be refunded. The Town of Medway issues refund checks and this may take up to four weeks to process.

LOW ENROLLMENT

Classes that do not meet the minimum enrollment are not the best use of our limited resources, and usually are not very fun for the kids. Classes with low enrollment will be notified that the class is in danger of being cancelled one week prior to the class starting. The actual class will be cancelled within 48 hours prior to the scheduled start date and a full refund will be issued. The Recreation Department reserves the right to reschedule, postpone, combine or change classes. You will be notified via email or phone call if your class is cancelled; otherwise plan on attending.

TRIAL CLASSES

In most cases, trial classes are not permitted. It is recommended to visit and observe the current session if you are unsure if your child may be ready for the next session.

DROP-OFF PROGRAMS

Parents/Guardians of children under 12 years of age participating in our programs are required to accompany their children to and from the location of the program (i.e. classrooms, gymnasium, etc.) and must remain on the premises should they be needed. Should a parent or guardian leave the area of the program, they MUST inform the instructor where they can be found, including contact information. This procedure has been established for the protection and safety of all children within Recreation programs.

MAKE-UP CLASSES

All attempts will be made to reschedule classes that have been cancelled due to inclement weather, instructor absence, or other unforeseen circumstances. Typically a program that meets weekly will extend another week at the same day and time. Check with your instructor to confirm. Classes missed due to participant absence because of scheduling conflicts or personal reasons cannot be made up.

PHOTO / VIDEO POLICY

The Recreation Department may make, have, use, publish and reproduce photographs and/or video of participants for its record, public relations purposes, recognition, and/or other projects related to the wholesome promotion of its program unless permission is denied in writing.

FINANCIAL AID

Some programs are able to offer financial assistance or scholarships to qualifying applicants. In many cases, the most recent tax forms, and other supporting documentation is required. Contact us for more information.

AGE POLICY

Children must meet the age requirement for a program by the FIRST DAY of a class. Children must be toilet trained to attend programs unaccompanied by an adult.

RESIDENTS / NON-RESIDENTS

Our programs are supported solely by user fees and residents have priority registration periods. Registration is first-come, first served; Medway residents have priority through advance enrollment periods. Unless otherwise noted, programs are available for non-residents.

CALENDAR

Calendars found in the back of the brochure list the start date of all programs as well as holiday hours, closings, community events, and other important event date information.

INCLEMENT WEATHER POLICY

All classes (day and evening) will be cancelled when Medway Public Schools are closed. If Medway Public Schools have a delayed opening, all Recreation department programs will still start at their regularly scheduled time, unless you are informed otherwise. In the event we need to cancel evening or weekend classes, it will be listed on our website and Facebook page. We will also attempt to email participants who have registered for these classes.

INCLUSION

We welcome kids and adults of all ages and abilities to participate in any of our Recreation programs. To help visually identify programs that are specifically designed for participants with disabilities, please look for this inclusion logo throughout the brochure. For questions, adaptations, and accommodations please email Jharrington@medwayma.gov. If necessary, parents or aides are welcome to attend with participants.

FIELD/FACILITY RENTAL POLICY

Our fields and facilities are available to be rented to the public. Please contact Jharrington@medwayma.gov for more information.

SLIME WEEK

Instructed by Fun4all

It's time for slime as we spend a week learning how to make slime and put our creativity to the test to see who can make the ultimate slime! During Slime Week, students can expect to learn the basics of how to make slime and have fun creating slimes of different colors, smells, and textures. Students will learn to make slimes that are crunchy, magnetic, and glow in the dark! Our instructors will show students the latest slime tips and tricks and encourage creative thinking and collaboration. Once the slime is made, students will show off their creations and have lots of time to play. Slime Week lets kids get their hands dirty while leaving the mess in the classroom and out of your home!

SUMMER @ THE REC C.I.T

Instructed by Medway Parks and Recreation

The Summer @ the Rec Counselor-in-training environment provides a unique opportunity for youth to build leadership skills, particularly in assisting staff with younger campers. The goal of the training program is to develop general skills of leadership that you can use throughout life at school, home and in the community. The training received and talents of C.I.Ts. are put into action. Commitment to serving the assigned weeks is preferred. If you are accepted into the counselor-in-training program, being a good example is important and will be your gift to the campers. By participating in the C.I.T program, you will have the opportunity to give back and help create lasting memories. The C.I.T program serves as a possible stepping stone to future employment. For more details visit the Parks and Recreation website.
